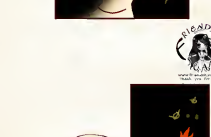
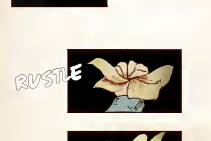
THIS THING I INSERTED A WHILE AGO IS STILL HERE



COME HERE.



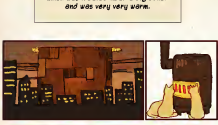
GRAB!

RUSTLE

In a village built on a snowy field,

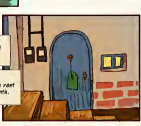
there was a little cat called Lula.

The cats lived in the village basement which was located near a big boiler and was very very warm.



It was a good place to live, since wandering cats and their likes, love warm places.

Dad cat's job is to take care of a gigantic fish.



If he works all day without resting,

then he can pay for the rent that comes every month.

Lula's mom works as a cleaning lady. If she works for half a day,

she gets enough to feed her children fish soup once a month.

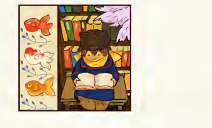
The oldest, Lulu, is the strongest out of the siblings.

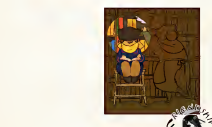
The second oldest Lil and third oldest Lo are always together. They are recognised as the village's mischievous boys.

The fourth, Lula, is the smallest.

Lost in the ding dong ditch game, lost in kids and seek, even when he played with other kids, he was lost

After some time, the kids didn't let Lala play with them.





MY DREAM IS TO BE A NURSE WHEN I GROW UP.
